28 June 1968

MEMORANDUM FOR THE RECORD

Morning Meeting of 28 June 1968

DD/I noted that Allan Evans was most appreciative for the memorandum on Chinese troops in North Vietnam.

DD/I summarized the OER monthly report of May shipping to North Vietnam, noting that the number of ships (52) was the highest since July 1965 and that the materiel delivered was at a record level. The Director asked the DD/I to ensure that the shipping information is included in his briefing of the Senate CIA Subcommittee on Monday.

DD/I reported that a meeting took place yesterday with Al Jenkins of Walt Rostow's staff to work out arrangements for quick servicing of Rostow's requests.

Lehman provided the Director a draft memorandum on the implications of Gromyko's speech to the Supreme Soviet.

Lehman briefed on North Vietnamese reactions to Senator McCarthy's impending trip to Paris.

D/ONE informed concerning a request from the Joint Staff for an Estimate of the intelligence community's ability to measure the flow of enemy men and materiel to South Vietnam in the event of a cease fire.

Maury reported that Congressman Henderson was provided a list of stock polygraph questions.

Maury noted that Congressman Bennett has queried concerning aspects of the Washington Observer article. The Director urged Maury to initiate a candid response.
